Dear Sir/Madam, My name is Frank Jackson. I would be very interested in offering you a part-time paying job in which you could earn alot, Presently, I have just been granted a funding to head a research project in the tropical regions of Europe and the South Americans regarding textile manufacturing and assist the poverty and public policy and this would be commencing very soon, However my fundings were by my American counterparts which sent me the bunch of payments mostly in US based Certified Cashier Checks. Getting an accountant in the US/CANADA or opening an account would have been my best choice but I have a deadline to meet and taking any of those choices would cost me time and a whole lot of other requirements I am not ready to deal with as I would be traveling a lot in the meantime. I would be willing to employ you on contract basis to be my payment representative back in the states, this way I could issue and make these payment out to your information
