Meetings on information needs	8 (Nkedianye)	KILA, Ikaputiei Pastoralists Landowners Forum, Empuyiankat Landowners, Empatipat Youth Group, Namunyak Women Group
Meetings on breeds and livestock diseases	5 (Nkedianye)	Visits to Kapiti, Isinya ranch, community discussions on available information
Meetings on wildlife, land use, livelihoods	8 (Nkedianye)	Workshops, “fence-the Park” debate, lease program meeting, Nairobi National Park Ecosystem Management Plan, Consolation program meetings
Community to community exchange visits	2 (Nkedianye)	KILA committee members to Amboseli, Facilitated Mara group in Kitengela
Meetings with <u>policy makers</u> to assess information needs, provide existing information on breeds, vaccines, wildlife, land use, livelihoods		
Meetings on information needs	7 (Nkedianye)	Hon. Wangari Maathai (1)-wildlife, Hon. Kulundu (2)-Wildlife, KWS Director (4)
Meetings on breeds and vaccines	1 (Nkedianye)	Kajiado DVO-County council Chairman
Meetings on wildlife, land use, livelihoods	4 (Nkedianye)	Prof. Michieka (2), Task force on human wildlife conflict, D.C. Kajiado on Jamii Bora issue
Community actions or activities influenced		
Establishment of conservancies		
Facilitation of community discussion and development of action plans	3 (Nkedianye)	Lenchani meeting, Illasit meeting, Empatitpat meeting
Meetings to build alliances among partners	12 (Nkedianye)	Isinya-2, Dupoto-2, ACC-1, Kenya Human-wildlife conflict working Group-3, Action –Aid-1, IIED/Reconcile-2, KWS-1
Policy actions or activities influenced		
Policy on land and water use		
Policy on pastoral livelihood issues		
Policy on conservation issues	1 (Nkedianye)	Presentation of paper-Mombasa
Meetings to build alliances among partners		
Research conducted or facilitated		
Land-use research (fences, cultivation)	2 (Nkedianye)	Fence Mapping-Kitengela, Cattle herding-Kitengela
Wildlife/environment research		
Socio-economic household surveys	2 (Nkedianye)	Valuing alternative land use options-Kitengela, broader socio-economic survey
Disease and predation research	1 (Nkedianye)	Claire’s Msc-Facilitated, Soft system Methodology (M.Sc Thesis).

Family portraits	4 (Nkedianye)	Amboseli and Longido portraits and feedback
Economic valuation of ecosystem services	1 (Nkedianye)	M.Sc student-Edinburgh
Modelling research	2 (Nkedianye)	Julian Derry, Celia and Utah Group
Water efficiency study	1(Nkedianye)	M.Sc student (Kitengela) from Edinburgh
Communication products produced		
Newspaper and magazine articles	1 (Nkedianye)	Eco-Forum article
Radio programmes	1 (Nkedianye)	ORS-Terat (Tanzania)
Book chapters	1 (Nkedianye)	Co-author with Dr. Robin Reid
Scientific journal articles		
Posters	1 (Nkedianye)	Co-author with Dr. R. Reid
Documentaries	1 (Nkedianye)	Featured in documentary “saving the wild” for Kitengela, with Kenya Human Wildlife conflict Management Group
Presentations to different For a	4 (Nkedianye)	Artzain Mundua (Spain), Ecoagriculture, Action Aid, Pastoralist Week (2003)
MSc or PhD theses	1 (Nkedianye)	M.A Thesis completed
Proposal development		
Number of proposals developed with partners	4 (Nkedianye)	With KILA to TTF, With Cultural Manyatta, GEF for The Wildlife Foundation, with Empakasi for cattle dip
Number of proposal successfully funded with partners		
Other groups where Reto - o - Reto information is discussed as board member		
Management advisory boards	2 (Nkedianye)	FoNNaP, KILA
Scientific advisory boards		
Access to technologies facilitated		
Number of animals of desired improved breeds provided to stakeholders	53, 6 (Nkedianye)	Bulls and Rams, respectively
Number of vaccines facilitated access to by stakeholders	25 (Nkedianye)	ECF Vaccine
Other		
Training activities		
Number of training courses run	2 (Nkedianye)	Training on GPS, Socio-economic interviews for enumerators in Kitengela
Number of training courses attended	3 (Nkedianye)	Proposal Writing, Policy Advocacy, GIS/GPS
Other facilitation activities		
Advising on other community activities (cultural bomas, etc)	2 (Nkedianye)	Olmakao Cultural Manyatta, Monchiriri cultural Site
Development of infrastructure		
Seed grants to partners	1 (Nkedianye)	Office support for KILA
Facilitating access to experts	3 (Nkedianye)	FMD outbreak at Lenchani, water analysis at Olkinos, ECF assessment at Empuyiankat
Information on new technology	1 (Nkedianye)	Acquisition of improved solar cooker

Summary of Activities at the Mara site: Dickson ole Kaelo

Activity	Number (team member)	Brief details of activity, partners participating, outlet for product
Meetings and exchange visits with <u>communities</u> to assess information needs, provide existing information on breeds, vaccines, wildlife, land use, livelihoods		
Meetings on information needs	4 Meetings (Kaelo)	Meetings in 4 group ranches to assess information needs (Olesere, Siana, Koiyaki, Lemek)
Meetings on breeds and livestock diseases	7 Meetings (Kaelo)	2 sensitisation meetings on ECF vaccine with VSF-Germany in Aitong and Talek, 3 meetings in Talek, Nkineji-Siana and Sekenani on tsetse fly control, 2 meetings to discuss livestock management practices and breeds.
